God is in the process of establishing people in wealth like never before. While the world is drunkenned by reports and announcements of economic situations. While media is steering the minds, attitudes, and momentum of the world, God is speaking prophetically about birthing an economic shift and access to Kingdom economy. This is not prosperity preaching. This is the Kingdom of God moving in, during a time when people get more and more hopeless, God's people will flourish and birth blessing and provision.

**I want to declare for this house:**

- You will find supply according to Him, and in His riches in glory
- Provision
- Witty inventions
- Leaders of corporations
